

# HDV Picnic - Aug. 16, 2022

## Nourishing the Village Community

The High Desert Village picnic featured not only tasty fare off of the grill, but an opportunity for members to satisfy another hunger – fellowship and conversation. After two years of pandemic lock-down and social isolation, the picnic proved to be the perfect place to meet and get to know other Villagers.

A special thanks to the Good Times Team for organizing the event, and to long-time HDV member Bambi Curtis for obtaining her community's gazebo as the setting. The smiling faces, laughter and enthusiastic conversation were a testament to the success of the gathering.

Watch the Events page on the HDV website and the Village Life newsletter for more opportunities to meet and greet your fellow Villagers.
